June 13, 2023 Ribbon cutting event for the long awaited adjustable side curtains for the Pavilion and the 15<sup>th</sup> anniversary of the Lyons Falls ALIVE Farmers' & Crafters' Market.

Besides Lyons Falls ALIVE, the pavilion sides were a community effort. Much appreciation to Iroquois Gas, the Village of Lyons Falls, Forest Friends, Lyons Falls High School Alumni Association, and countless individual donations.

The curtains were used on the weekend of June 24 & 25<sup>th</sup> for two graduation parties that would have been cancelled if it were not for the curtains. The market also used the adjustable sides on June 27<sup>th</sup>.
